

# CASE STUDY

## INTERPRETATION

**Industry:** Social Work  
**Location:** Global  
**Size:** 20 million members

### Client's Requirements

— “ —

We required a simultaneous interpretation service for an online seminar for three consecutive days in three different languages. The seminar focused on issues of women in underdeveloped countries, and the solutions to them. We were looking for empathetic and passionate language experts who would help us communicate efficiently.

— ” —

### Challenges Ewan Solved

- Finding resources who were a right-fit.
- Managing the online seminar
- Providing interpretation for smooth communication throughout.
