

# CASE STUDY

## PROOFREADING & EDITING

- Industry:** Entertainment
- Location:** India
- Size:** 100 to 500 employees

## Client's Requirements

— “ —

We required a language partner who would proofread the translated documents for us. We had the machine translate the documents, but we wanted to check if the translation was top-notch. We had to publish the content to people and had to take care of the relatability of the content as well, within a tight deadline.

— ” —

## Challenges Ewan Solved

- Proofreading the machine translations
- Editing wherever necessary and giving the final output
- Completing the project within the deadline
